2018.11.26 – 2018.12.02

Practices

- Apply 2IFC as an alternative way of the scatterplot perception project.
- Add the global submarine cable graph as a mask for front-end part of the global telecommunication network project.
- Learn *Visualization Analysis & Design*.

Future Work

- Continue working on the scatterplot perception project.
- Try to use Neo4j to do data wrangling with ISTP data.
